

Nuclear Disarmament

2018: An Historic Turning Point

The question is will nuclear weapons be used, or will the world get on the path to Nuclear Zero? Rick Wayman, Director of Programs at the Santa Barbara-based Nuclear Age Peace Foundation, will speak about these essential issues facing humanity in the new year.

Rick Wayman is the Director of Programs & Operations at the Nuclear Age Peace Foundation. A graduate of Marquette University's College of Business Administration he has a Master's Degree in Non-Profit Management and Political Advocacy from the School for International Training. He also serves on the Board of Directors of the Alliance for Nuclear Accountability and is an active member of the International Campaign to Abolish Nuclear Weapons (ICAN), working to achieve the Treaty on the Prohibition of Nuclear Weapons at the United Nations..
