

NUCLEAR DANGERS

A Zoom discussion with

John Burroughs

Jacqueline Cabasso and Andrew Lichterman

John Burroughs, of Lawyers Committee on Nuclear Policy, and Jacqueline Cabasso and Andrew Lichterman, of Western States Legal Foundation, will discuss Russia's invasion of Ukraine and accompanying nuclear threats with reference to international law; whether "geopolitical" analysis is the appropriate framework; and divergent approaches of peace advocates.

John is the principal author of the paper, [End the War, Stop the War Crimes](#); Jacqueline, a key actor in peace and disarmament networks, is quoted extensively in this article published soon after the invasion, [A conflict over Ukraine embroils four of the world's major nuclear powers](#).

Andrew is the author of the paper, [The Peace Movement and the Ukraine War: Where to Now?](#)
